1. Mother shall provide such samples as are reasonably required by the testing agency to comply with this order.
2. Mother shall timely report for testing and provide samples as directed by the testing agency.
3. Mother shall present photo identification to the testing agency at the time of each test.

In the event that Mother tests positive on any test, misses a random test, or provides a diluted test sample on any test, the cycle and frequency of testing set forth in paragraph F above, shall be started again with weekly tests. All parties are advised that the failure, neglect or refusal to participate in testing, or providing a diluted test sample at the time of testing, may be considered an admission by the party that the testing, if properly conducted, would have revealed the use of the substance(s) tested for, which finding is contrary to the best interest of a child. Certain prescription medications may cause a positive drug test result. Parties who are required to drug test are expected to provide proof to the court of prescriptions and documentation from health care providers regarding the lawful possession and use of those medications.

H. Reporting. The parties are hereby advised that test results ARE NOT confidential and will be filed in the Court file upon receipt by the Court. The results of each test shall be reported directly to counsel for both parties, or directly to the parties at the addresses provided by the parties to the testing agency, if unrepresented by counsel.
